Join us at one of the most informative programs as we discuss food preservation. These are perfect for those that are new to food preservation or for those wanting a refresher. During the class we will discuss the benefits, equipment, and techniques before getting hands-on experience. \$5

Reading Between the Lines Book Club

Based on new and extensive research, Sonia Purnell has for the first time uncovered the full secret life of Virginia Hall--an astounding and inspiring story of heroism, spycraft, resistance, and personal triumph over shocking adversity. *A Woman of No Importance* is the breathtaking story of how one woman's fierce persistence helped win the war. Join us for a cozy meeting on June 21st at noon.

True
Story

Here's is our Amazing Agent, Lora Davidson teaching a super fun class *Snackle Box* at KEHA, where she taught how to make a quick, easy and convient snack solution! And to make it even better is perfect for the car, boat, hikes or a lazy day at home.
