Safe Haven Baby Box

A Baby Box is a safety device provided under Safe Haven Law and legally permits a parent in crisis to safely, securely, and anonymously surrender if they are unable to care for their newborn under 30 days old. The Safe Haven Baby Box organization staffs a 24-hour hotline ([1-866-99BABY1](tel:1-866-99BABY1)) to give women the opportunity to talk to a trained professional as they consider safely surrendering their baby.

Soft Skills and Workplace Readiness training

English as a Second Language

Post-Secondary Education Readiness (College Prep)

Basic Computer Skills as part of an Academic Skills Upgrade

Distance Learning Options

Integrated Education and Training options available

Foundational and Literacy Classes

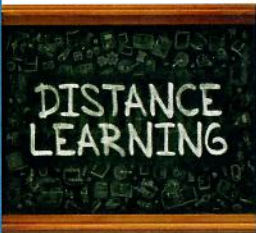

Language Arts Reading and Language Skills, Math Computation,
and Applied Mathematics

Distance Learning

We understand that some individuals may not have the time or transportation to attend classes on a regular basis, so we provide access to online study programs such as KET's Fast Forward, GED Flash by Aztec, and IXL, on a limited basis. HyFlex

classes provide students an option of Zooming into a class taught by an instructor in one of the Adult Education programs located in Clay, Knox, Laurel, and Whitley Counties. Check out HyFlexKy.com!

Students are encouraged to make an appointment and be assessed through Orientation. A course of study will then be set up with an instructor, using one or more online programs. Distance Learning students will meet with an instructor periodically for verification of understanding and progress assessments. Instructors are also available for counsel via email or telephone.
